ANTICIPATION — theme of our annual, our year and our lives. We anticipate sports: how will football fare? will volleyball be league champs again? will cross country go to CIF? will tennis win? how does the basketball team look? can we exceed fast year's record in wrestling? can we duplicate last year's softball team? how will the ski team do? will track be winners again?

We anticipate the year's social events: who will be Homecoming queen? where and when will Prom be held? whom will I take to Prom? shall I buy an ASB card, an annual? do I get to drive to away football games? which clubs should I join? do I want to consider AFS or YFU programs abroad?

We anticipate the years ahead what do I want to do? should I go to college? what are my aptitudes? what kind of commitments do I make?

We anticipate and wonder. We anticipate while we remember.

#### DEDICATION

On behalf of the Rim High School Student Body, the Annual Staff dedicates this year's Pibroch to LaVelle Cochran counselor and friend

Mrs. Cochran grew up in Oregon, New Mexico, and California She was the only girl in her family, she has two brothers. Dean and Don She graduated from San Bernardino H.S., went to work at Norton Air Force Base. When she talks to seniors about ways to get through college, she knows what she is talking about she worked from the Nazarene College in Pasadena, graduated from Long Beach State. While teaching, she completed her work for her Master's degree at Cal State, San Bernardino.

Mrs C taught girls' P E at San Bernardino H S before she was enticed into coming to Rim in Feb of 1967. She was in the Police Reserve in San Bernardino for a number of years, during this time, she served as a Security

Guard at the Orange Show

She is interested in the out-of-doors loves camping, skiing, dirt biking, fishing, baseball, traveling, etc. Her son Kirk is also — at 12 — a baseball enthusiast. Kirk has played. Little League for several years, is a believer in Dodger Blue, and, likes spending his summers on the

island at the lake up in Oregon

Mrs Cochran's first major contribution at Rim was in the area of girls' athletics. As P.E. teacher and tennis coach, she, in the words of former Principal, Lester DeMent, gave girls' athletics ' the credibility and dignity it deserved.' Her whole emphasis in sports was on behaving in a manner becoming a lady (or a gentleman) and an athlete. Because she asked the very best from people, girls' athletics became a thing in which you could be proud to participate.

Mrs Cochran has always been a caring person. She cared about her programs, cared about her teams, cared

about the individual

For the past 5 years. Mrs. C. has been in counseling. In this capacity, she has befriended and counseled many students. She is devoted to her job, patient in her deliberations, and tireless in her attempts to aid seniors in choosing colleges and careers. She is responsible for the Bank of America contests and the senior awards programs.

Rim High salutes and honors you, LaVelle Cochran,

our beloved Mrs. C

This year's Senior class officers have done an outstanding job. Along with bringing the senior class together, they have displayed true devo tion and leadership. The unforgettable officers were (top) Chip Eck president (center right) Denise Best, secretary (center left) Robert Book vice-pres (bottom) Kim Brittingham, treasurer

Casting aside our fear
We take on a new light
Encountering things near
We step beyond the night

Childish Things

When I was a child I understood just like a child Now that I am able I'm gonna lay it on the table

When I was just a little Child
I spoke just like a child
Now that I am older
I'm gonna lay down Childish Things

Let me lay it down
I keep on getting stronger
Let me lay it down
I don't need them any longer
Childish Things

When I was a child
I thought just like a child
Now I'm thinking clearer
I don't need them any longer
Childish Things

When I was a child I walked just like a child Now I'm walking better I'm gonna lay down Childish Things

When I became a man
I began to understand
I stopped acting like a baby
I layed down Childish Things

- Bryan Duncan

# ADMINISTRATION,

# FACULTY, AND STAFF

The Board Phillip Mullendore Sam McCreery Pete Shaw Norah Casher William Avarell

#### DISTRICT OFFICE

I want to congratulate members of the Class of 1980 as they step through a significant doorway toward the future Congratulations, too, to the entire student body and staff for making Rim of the World High School one of the finest schools anywhere. It is an honor to be associated with such a first-rate group of people, and I know we can all work together to see that Rim High continues its tradition of excellence in every area. One of those areas being the yearbook, I sincerely commend this year's PIBROCH staff and advisor for creating another masterpiece

James Bernardy

James Bernardy District Superintendent

Victoria Wood, Dist. Psychologist

Robert Peterson, Business Manager

William Pettus Director of Special Services

Back row - Sharon Merrill, Betty Hotcomb Cyndie Smith Front row - Jan Shusda Kristy Rich Linda Foote

Gary Steffans, Assist Superintendent

Organization, thoughtfulness, and getting involved with the students was the main goal of this year's District Office staff. Their cooperation with A.S.B. meetings and award competition was highly appreclated by all Under the supervision of James Bernardy, this group worked as a team with their colleagues and students The District staff made possible such things as the rooter bus, their very fine public relations brought closer together the community and the students. The students of Rim High would like to thank the District Office for this year's events

Joe Matthews

Bob Gayle

Dave Ochs

## **ADMINISTRATION**

Rim's Administrative Staff is very important to the continuation of the school and to student life. Mr. Matthew's constant efforts and gentle (?) proddings along with the ever present encouragement of our principal, Tim Buchanan, are truly an inspiration to us all Helpful hints from Bob Gayl, our Dean of Students, and our fine Athletic Director, Dave Ochs, also help to tie the administration and student body together

Tim Buchanan

Phylis Swinnerton

Billy Dickson

Vel Cochran

#### COUNSELORS

Along with an outstanding administration, there must also be a great set of counselors and this year we had all the ingredients. Vel Cochran, Billy Dickson and Phyllis Swinnerton have given the students much guidance and aid in helping them make decisions about their futures, find out about their academic requirements and face up to their personal and social responsibilities. True devotion is what makes the counselors at Rim FANTASTIC

#### **ASB EXECUTIVE BOARD**

The executive board was quite efficient. They tried to involve more students in the procedures of running the ASB. The board, although the backbone of the associated student body, stressed continuously throughout the year, the fact that the students of the school, each one, made up ASB

## ASB CONGRESS

The ASB congress did a very fine job of handling the school problems, and also planning the year. They contained reps that were interested in what was going on The ASB put on another convention in which they elected the 1980-81 ASB Pres. and V. Pres. They were also the sponsers of special activity days, intramurals, and most of the other major activity that went on this past year.

ART

The class that always seems to be put on the shelf is the art class

Our art teachers Barbara Matheson, Pam Herlitz, and Gerry Vom Steeg, have proven themselves more than adequate in their field

These teachers have shaped the artistic talents of Rim High students. We hope that they will continue bringing out the artist in all of us in the years to come.

**ENGLISH** 

Geneva Woods

Michael Patterson

As hard to teach as we are, we've made it through school with the help of our execellent English Staff

Somehow, even with our excuses, paper fights, and continuous noise, we were taught how to express ourselves with words we never knew existed

These teachers have made a point of making sure that we shall not leave this school without a proper understanding of English and of ourselves

If help is ever needed we know that there are caring teachers right around the corner

SOCIAL STUDIES

The social studies staff offers the student a variety of classroom experiences as unique and individual as the teachers themselves. The common thread that brings unity to the department, with its diversity of personality, is the desire to prepare the young people for an ever-changing world where significant decisions must be made daily

SCIENCE

The science department begins the 1980's by looking forward to moving Into its greatly improved facilities in the new school wing. Our courses for this year include Geology/Mineralogy by Mr Key, Sci Tech by Mr Schweighardt Aviation and Advanced Aviation by Mr. Drozd, Biology by Mr. Exline, Chemistry by Mr. Lakatos, Physics by Mr. Schweighardt, Senior Honors Science by Mr. Lakatos. The 1980's - a new decade, new facilities and new challenges for our science students and teachers

Mr. Daniel Martinez

### LANGUAGES

The Foreign Language Department continues with two languages: Spanish and German. Mrs. Garcia's beginning classes were packed and overflowing in the fall. Only gradually was the problem resolved Our continuing teachers are Mrs. Delores Garcia, Spanish, Mr. Daniel Martinez, Spanish, Mr. Jarle Eldevik, German

#### MUSIC

The Music Department moved in new dimensions this year. Mr. Key continues with the vocal program with Choir, Girls' Glee and Ensemble But Mr. Tom McMahon was hired to begin a marching band program. Marching band began practicing before school started, struggled through its first months with old Redlands HS uniforms, then received its own spanking new uniforms in December! The group is participating in festivals, competition, and tours. They're even going to Dodger Stadium! Flags, Drill Team and Band are all coordinated. Second semester a Wind Ensemble was also organized. Enthusiasm for music is high!

The PE. Department has undergone various changes in personnel this year: Mrs. Frank returned after a year's leave of absence; Mr. Webb moved from the English Dept. to replace Mr. Hunstock who had retired, Mr. Steele was hired to replace Mr. Ochs who became Athletic Director. But the problem remains the same: inadequate space. In good weather we can manage, but inclement weather and 1 gym present numerous difficulties. We look longingly toward that unfinished gym and do our best to provide an adequate program for students with varied interests and needs

## **SUPPORTING STAFF**

Sue Hardt

The staff at Rim of the World High School has been very helpful, over-worked but conscious of our needs. We thank them for a great year. The supporting staff includes: Peggy Krause, assistant principal's secretary; Earline Rose, records clerk; Peggy Smith, counseling secretart; Joana Chrissinger, clerk-typist; Jan Nellans, principal's secretary, Mary Donald, attendance clerk, Sue Hardt, students account clerk

#### **BUS DRIVERS**

We want to thank the drivers of the district for delivering all of us safely to and from school, because we know it isn't exactly the easiest job in the world. Bus drivers are: Paul Arrain, Wayne Christiansen, Donald Crabtree, Jack Dewey, Richard Fratus, James Greive, Martin Haley, Susan Hicks, John Koeper, Rodney Longfellow, Patty Martin, Mary Orr, Mike Orr, Speedy Peters, Rick Rogers, Greg Sears, Dennis Vanderpool, Clayton Wheeler, and Kenneth Wrage

#### **CUSTODIANS**

The custodians have done a great job keeping up with the broken windows. They also have done a good job keeping Rim clean and reasonably respectable looking. Our gratitude to the custodians who include: Eric Caldwell, Gail Arendsen, Charles Clay, Michael Hayes, Ken Hester, John Kerdraon, Dean McCullick. Their work is also given a boost by help from the bus drivers

#### ENSEMBLE

The choral groups had a great challenge set before them There was no pianist. It just wasn't the same without Mrs. Kusler. For the Ensemble's first performance, on December 6 at Thousand Pines Baptist Camp for the Women's Club, the girls had to borrow a pianist Ensemble sang at several other places around the mountain where they had to do the same. However, the second semester was off to a much better start with Laura West at the keys. Members include: (L to R) — DeAnna Dotter, Tamami Sasaki, Natalie Woerth, Tiffany Herington, Dana Cire, Michele Mize, Ruthann Schweighardt, Holly Preston, Joan Gershwin, Amy Spencer, Becky Stogner, Terri Ayers, Lisa Eagan, Lori Gritton, Cristy Forth, Stephany Crissman, Barbara Schmidinger. # INSTRUMENTAL MUSIC

The pride of the Rim High Scots was seen quite clearly this year in their music. Our new band director, Mr. Tom McMahon, also known as "Big Mac," has spread an optimistic attitude over this entire department. The students have each learned from the exceptional classroom education, as well as the experience of working with a new instructor. The marching band has opened up doors of new, never-ending excitement, and has challenged a great number of students in many different ways

# **NEW DIRECTOR WITH NEW DIRECTIONS**

CONCERT BAND — This is the biggest instrumental group on campus. They had concerts in December and March, and participated in SCSBOA festivals at Cat State San Bernardino and Alta Loma High School during the Spring but their main activity, and always the highlight of the year, was the spring four. The concert four included three concerts and tours of Sacremento. San Francisco, and some other major places.

JAZZ ENSEMBLE — Exploration of Jazz styles and their performance was the goal of this young group of instrumentalists. Improvisational techniques were also practiced especially in the small combo groups that were an offshoot of the larger Ensemble. This group participated in Jazz lestivals at Cal State San Bernardino and Chaffey College. Their main concerts were in March and May.

WIND ENSEMBLE — Composed of the finest instrumental students on campus, this small bull talented group existed during the second semester primarily as a reading group in addition to rehearsing class "A" and "AA" music, this Wind Ensemble also explored and practiced conducting techniques designed to make them better all-around musicians. This group participated in the concert tour in May with the concert band also.

Wind Ensemble Members include: Susan Cipich, Cori Dudgeon, Mat Fratus, Greg Hopkins, Phili Kelliner, Gail Markprany, Tad Martin, Lisa Nicke, Holly Plumb, Karen Sorenson, Ken Rubio, Anna Stowe, Karla Wilson, and Bob Zavas

DRILL TEAM — Contributions by dedicated leaders, many hours of after school practice, and personal sacrificer made by supportive parents all culminated in an eventful memorable and exciting year for the Rim High Drill Team Led by captain Lauri Tucker, and co-captains Lee Matten and Kym Scheilin, the 48 members performed in several parades, pep assemblies, and home football and baskel ball games. In spile of their work load they devoted time to being secret pals for the JV and Varsity football teams participating in Halloween and Christmas parties, performing for the MPH students, and attending an awards banquet. Together with their advisor Wendy Frank, they would like to express their appreciation to the marching band Mr. McMahon, and any others that helped them over the year.

# '79-'80 PEP SQUAD

The Pep Squad made their grand entrance at the first home foot ball game of the year on a fire truck

Our Pep Squad did an excellent job supporting all sports. The squad included the first ever elected male yell leaders at Rim. They attended all football and basketball games, and all other sports games were attended by at least one representative from the squad Good job!

Rim's mascot, Kelly Evenson, left, did a very good job. She was in charge of game plans, calling cheers, organizing practices, promoting school spirit, and dancing her routine to the Alma Mater.

J.V. FOOTBALL "79"

The "79-80" football season was perhaps, the most successful season ever for our Junior Varsity football team. For the first time in many years J.V. Football took the Sunkist League championship amidst stiff competition, defeating such League power houses as Banning, Beaumont and Perris along with other extremely tough Sunkist League teams.

The JV staff determined to make their learn a winning one, introduced a new style of coaching to their players. The new idea was to be on a one to one basis with the team members, and coaches Burns and Steele made this work exceptionally well considering it was their first year here at Rim. Outstanding talent among team members included Paul Boles. Pat McDonald, Kevin Martin, and Kenny Ayers and they are hopefuls for the seasons to come. Hopes are high for another winning season.

# SCOTS VARSITY CROSS COUNTRY TAKE 4th PLACE AT CIF

A new record high at Rim.

The Cross Country Team did tremendously well this year taking a 4th place in CIF Championships. This is the highest placing in Rim history, with an 11th place following. The team worked long hard hours preparing for each race.

They also placed 5th at both Mammoth and Yuca pa Invitationals, and took a 10th place at the Mt. San Antonio College Invitational

Preparing for a race includes a strict diet, plenty of sleep the night before, physical preparations the day of the race as well as prior to the race, and mental preparations

Cross Country is one of the most strenuous sports at Rim. It encompasses miles and miles of hard work. Running not only takes tremendous physical strength, but mental strength as well.

Lawrence Stehmeier, who is "top man" on the team, helped to lead the team to victory. Mike Paulin, is to be commended for his outstanding performance as a Freshman on the Varsity team. Mike is third out of nine Varsity members

The team is very enthusiastic about running. Some members planned to run in a Marathon that took place on the 16th of December. Those running include: Tim Fuette, Brett McClintock, Brian McClintock, Mark Miller, Mike Paulin, Dan Wagner, and Ron Bemis

### GIRLS' JUNIOR VARSITY BASKETBALL

The Junior Varsity team, led by Kelly Frame and Suzie Bock had a very interesting season. Although victories didn't come that often the team showed definite promise and should prove to be good for the Varsity team in the coming years. First year coach, Leanne Minor had nothing but praise for the team, stating, "Even when the going was rough they stuck by what they were doing, and worked very hard!"

#### SPIRIT RANKS NO. 1

### RIM'S SPIRIT PROVES BEST IN SUNKIST LEAGUE

Our Varsity Team has been able to prove that their spirit ranked the highest over all the others within the Sunkist League. With the support of the crowd behind them, they showed everyone just how exciting a basketball game could be. Many times, the suspense of the game came within the last few minutes which is where our team really showed how well they could handle the ball

We regret that many of our varsity players will not be back next year, but we know that it will not stop the Rim High spirit within the players and the crowd

Team Members include: Ed King, James Biggs, Steve Hewey, Steve Jacobs, Jeff Burbach, Scott Houg, Sean Appleton, Ken Carpenter, Ray Ruppel, Bob Oaks, Tino Romero, Mike Snow, Doug Ellithorpe, Dave Callahan, and Scott Chester Coach is Fred Miller

Varsity Stat People Dana Olla Tom Farrell Linda O Connor

## JUNIOR VARSITY BASKETBALL — FUTURE STARS

Our J.V. Team has proved to us that with their good sportsmanship and their fine handling of the ball, we have a lot to look forward to next season

We know that though we will lose some of these players to varsity, many members of the team will remain to uphold and improve next year's league standings

Next year holds much practice, hope, and determination for this J V team We re confident that this group has and will have the full support of Rim High Team members include: Scott Parks, John Pagel, Roger Moedl, Rob Von Kaenel, Brian McClintock, Paul Cavanaugh, John Lubisich, Dave Bejanmin, Frank Gradillas, Phil Warren, Greg Keith, David Chelsey, Mitch Callaway, Craig DeCarlo, Guy Hargreaves, Eric Trippe, Kevin Martin and Jerry 8as

# WRESTLERS DO IT ON THE MAT

VARSITY WRESTLING 1979-80. This year Rim completed one of its most successful wrestling seasons in 15 years at Rim High School. The team wrestled its toughest schedule ever and emerged with 11 wins, 4 losses, and 1 tie against mostly large, class 4A schools. Rim captured the league championship for the 12th year out of 14 years under the coaching of Mr. John Beresford. The team wrestled in 9 major 16-team tournaments this year and won 3 first place trophies, 1 second place and 1 third place while never placing below 6th place. The team will lose 9 varsity wrestlers to graduation but a strong J.V. team is expected to continue the winning tradition of wrestling at Rim High.

#### JUNIOR VARSITY WRESTLING

Mr. Beresford strikes again.

Members include Scott Bailey, Tracy Crum, Chad Werner, Mike Scorziell, Daryl Macias, Rick Jahue Rollin Ruggles, Mike Johnson, Dave Meddles, Jim West, Brett Abbate, Lance Fawcett, John Jones Jeff Hardt, Brian Thomasson, Rick McNulty, Joe Aguirre, Doug Hoover, Roger Potter, Jack Jackson Bob Whitaker, Todd Vellie, John Bobroff, Jack Severns

The ski team, under the direction of Mr. Bernie Drozd trained on a daily schedule at Snow Valley. As it usually the case, the team experience many problems due to the lack of snow Though mother nature was slow in providing adequate snow conditions, she finally pulled through with a flurry of snow storms towards the end of the ski season. Though there was not much competition on a local level, all team members competed in the extremely tough Far West races that were held at various ski resorts in and out of California.

Team members include Julie Wagner, Debbie Biehler Dan Wagner Dana Biehler, Dan Porges, Danny Lupear, Tim Hubbs John Hubbs Eric Rindhal Todd Sessions Bob Hoffman

#### SOFTBALL IS A BIG HIT

The Varsity Softball team has hopes of maintaining the title of League Champions, a title they have held for the past four years. The team is quite young, but not inexperienced. The team is composed of four seniors, three juniors, four sophomores and two freshmen. The team has sixteen games this season provided the weather complies. On the subject of outstanding players, coach Thompson said, "They are all outstanding players or they would not be on the varsity team at Rim."

Team members are Michelle La Marr, second base, Angela Malizia, out field, Diane La Berge, out field, Denise Hargraves, first base, Rita lacono, short stop, Jan Rasmussen, first base, Dawn Bolles, out/in field Natalia Woerth, third base, Denise Geller, pitcher/short stop, Tiflany Nyrkkanen, out field, Bev Featherstone, catcher, Stacy Sunny, out field, Patty Goodwin, third base, and Leann McCreary, in rout field.

#### J. V. STRONGER THAN EVER

Even in softball there was a hint of anticipation Coaches Bill Dickson and Debbie Wogen expected a super season and got what they had hoped for. This is the first year of coaching the J V. Softball team for Debbie Wogen Her winning ways inspired the team to one of its most successful seasons. The 1980 J V. Softball team was the largest group to be carried on any J.V. Softball club. The strength of the team was held mainly in the area of pitching, while the whole team contributed greatly to its success

One of the highlights of the season was the defeat of the 4A Rubidoux High School

Team Members include Sue Bock, Julia Ham, Lori Mi Isap Debbie Nunn, Ginny Terry Glendy Beye, Dana Biehler, Debbie Biehler Lonnie Paulus Sue Rogers, Jackie Simons Kelly Simons, LeAnn McCreery Carolyn Eide Colleen Miranda, Diane Monniger, Nancy Montes Deneen Fate and Judy Miller

At the beginning of the baseball practice season the players experienced many problems due to the seemingly ever present rain and snow which caused the team to stay indoors during the first and most crucial months of the season. Though the team was at a great disadvantage compared to other league teams, they proved their strength and ability by doing extremely better than recent teams here at Rim. Under the direction of two very knowledgeable and experienced coaches, Mr. Chuck Webb and Mr. Tim Steele the team gained hope in their quest of league victory

#### SCOTS J.V. BASEBALL

The 1980 Junior Varsity Scots had a little better conditions with the weather this year; they, at least, got some practice on a real field before the season opened. Their new coach, Coach Ed Burns, started them off well. They went 4-1 in pre-season games defeating Rubidoux, Aquinas, Beaumont, and Ontario Christian

The Varsity Track team is really showing us that they know what they're doing. At deadline time, they have only had one meet, the 29 Palms Invitational, where boys' varsity placed 3rd out of 11 teams. This team looks good with all its returning runners and some excellent newcomers. We have had perfect training from our 4 coaches, Mr. Moore who coaches everything; Mr. Stephens who trains the jumpers and throwers; Mark Canter who instructs the sprinters; and, Mr. O'Bar who works the distance. With such individualized help, we know we have the best team yet

#### LEADERS OF THE PACK

The boys' J.V. Track Team did an outstanding job at running right away from their competitors. Along with super stars Mark Kopang. Greg DiCarlo, and Brad Mayo, this team worked as a team! The team members names are as follows: Front Row - (L to R) Brian Johnson, Greg DiCarlo, Joseph Keel, Robert Hoskins, Lenny Colton, Darren Dotter. Middle Row - Jayson Meyers, Mark Couch, Matt Furness, Chris Mann, Mike Hoff, Brad Mayo. Back Row - Craig Cunningham, Jack Severns, Tim Fuette, Mark Kopang, Bob Snider, Mark Miller, Dave Hopkins. With the super coaching of Paul Moore, Rip Stephens, Earl O'Bar, Mark Center, these boys sought their best and remained at the top. The track team was appreciated by all students for upholding the reputation and pride of their school!

# GIRLS' TRACK MAKES A RUN FOR IT

Girls' Track, over the years, has grown a lot; the team had over 25 girls! Compared to the first years when they had only 5 girls, the team has come along way! Because of the mild weather, track had the opportunity to run outside rather than in the halls—even before the first meet

The girls did exceptionally well at their first meet at 29 Palms against 9 other competing teams. Outstanding event was the 2 mile run where Rim girls placed 1st, 2nd and 3rd — all three breaking all previous meet records! Kelly Edgar came in first

Versity includes: Front Row — (L to R) Craig Wycoff, Darrell Macias, Scott Parks, Billy Reise, Dave Peterson, 2nd Row — Coach Dan Kutch, Greg Weissman, Brian Cerwin, Jim Bodor, Ken Rubio

As is usually the case, the players were at the mercy of the ever-changing weather that seemed to never go their way. Though there was not a great deal of snow on the courts, there was a constant problem with either wind, fog or rain, thus, at the beginning of the year, the team played on foreign courts. This is usually a disavantage for any team, but always shows the dominate team. The team was under the direction of a veteran coach as well as an extremely good tennis player, Mr. Dan Kutch. This proved to be a winning combination as the team went almost undefeated in league competition.

### TENNIS TRIUMPHS

THE YEAR

# AUTUMN'79 SEPTEMBER OCTOBER NOVEMBER

The early autumn months of the year saw an increase in sports activity —

Football started off strong with an Apple Valley scrimmage on the 12th. To "revey" up the ball players and stimulate students, Rim cheerleaders gave the first pep assembly of the 79-80 school year

Girls' Volleyball and Tennis traveled to Apple Valley on the 13th Both teams did very well

Football played Ontario Christian on the 21st. It was the first home game of the year, and to prepare the fans, the cheerleaders put on another pep assembly That night after an exciting J.V game, the A team put up a good fight but lost 7-12

On the 22nd, Cross Country competed with South Torrance, ultimately defeating them

As it had done in previous years, ASB adhered to a four year old democratic constitution. Presiding over the meetings was Tad Martin, ASB Vice-President, commissioners Karla Wilson, Micki Benson, Scott Madden, Steve Hewey, John Dexter, Jeff Burbach, Eve Tompkins, and Rita Iacono helped to keep the meetings running smoothly. Lawrence Stehmeler was ASB president

Visitors were encouraged and during the year added many new, enlightening thoughts to ASB discussions

On the 11th of September, the second annual freshman picnic was staged. This tradition was found to be highly successful in orientating incoming ninth graders. During this day of "fun and frolic" the freshman ran races, gorged themselves on ice cream and voted for their class officers. The four people chosen to lead the class of '83 were Kathleen.

Football again dominated the scene on the 27th and 28th. The biggest game of the year (aside from Homecoming), "King of the Mountain" was to be played against rivals Big Bear on the 28th. A dance, sponsored by the sophomore class was to follow the game. On the 27th, a 6th period spirit assembly was followed by a night bonfire. At the bonfire, a large stuffed bear was hung while jeers and spirit cries were thrown at Big Bear

On the night of the 28th, after a J.V. victory, the A team clashed with the cross town rivals. Rim's team played well, but the final score was Big Bear 7, Rim 6

The beginning of October brought a rising excitement about one of the year's biggest events. Homecoming. The Senior Class was in charge of putting on the homecoming dance and picking the theme for the half time floats From a number of excellent ideas the theme, "Casablanca, as time goes by", was chosen.

Each class was in charge of choosing their own princess

The freshmen nominees were Amy Evenson, Kelly Ewing, and Patti Goodwin. Kelly was chosen as the Princess

The sophomores nominated Denise Geller, Kim Kington and Tanaya Hancock. Denise was picked to be the sophomore Princess

The junior class nominated Deanna Dotter, Sue Franson and Laura Mickelson. Sue was elected as Princess

The class of '80 had the most important decision to make selecting the Homecoming King and Queen. The seniors nominations for Queen were: Denise Best, Karen Brown, Bridgett Goodwin, Kim Graham, Denise Hargreaves, Diane LaBerge and Soni Morison. (The Senior Princess and Maid-of-Honor were the two girls with the second and third most votes)

The seniors nominated for King were: Dave Anastasia, Robert

Bock, Jeff Burbach, Chip Eck, Steve Grant, Casey Mahoney and Bob Oaks.

The 1979 Homecoming King was Chip Eck. The Maid-of-Honor was Denise Best; Senior Princess was Denise Hargreaves; and, the 1979 Homecoming Queen was Bridgett Goodwin

The newly elected Royalty presided over both the game and the dance

The 79-80 Cheerleaders had done a fantastic job contacting former Rim cheerleaders to help guide the crowd and reminisce

on old times. The game was attended by cheerleaders from as far back as 1972

Chaminade Prep. was the school chosen to play against the Scots for their homecoming game After an exciting game, the Mighty Scots were defeated

However, the dance was still to come. The seniors had chosen the band "Arch Angel" to play for this festive occasion. Bob Watson was on hand to take formal pictures. The dance started at nine and went to twelve

The eighth of October was "Parent Night." On this night, students and their parents were invited to meet teachers and tour the school

On the 11th, the ASVAB (Armed Services Vocational Aptitude Battery) was given

The week of October 12th through the 18th was a good time

#### HOMECOMING'79...

Senior Class Princess Denise Hargreaves (left) Maid of Honor Denise Best (right), with Queen Bridgett Goodwin

The activities of Homecoming helped to make it the best one ever for our returning graduates. There was float decorating, the caravan and, of course, the Saturday night dance. The homecoming theme was "As Time Goes By." The theme was displayed well in the half time show. The floats were all excellent with the Junior Class float taking first. The band played, the drill team marched and, of course, there was the crowning of the crowning of the Queen and Court. The Queen was Bridgett Goodwin and the King was Chip Eck. The senior class princess was Denise Hargreaves and the Maid of Honor was Denise Best. Sue Franson was the junior class princess, Denise Geller was the sophomore class princess and Kelly Ewing was the freshman class princess

for sports achievement

Football played Aquinas (there, lost); Cross Country competed with Pacific (there); Girls' Tennis and Volleyball played Bloomington (here, won); and, Football played Bloomington (here, lost)

On the 23rd of October, the ASB presented the "John Platt Light Show." — which showed the history of the United States in thirty seconds. (Needless to say, it was a short assembly.)

On the 27th of October, the new Marching Band performed in the Anaheim Halloween parade On the same day, Cross Country competed with Mount Sac

The next day, both Girls' Volleyball and Tennis played against Banning at Banning

October 31st, more fondly known as Halloween, Trick or Treat, or Dress Up Day, Dawned brightly with many students and teachers turned out to the occasion. Horseback riders, M & M's, and judges were among the many characters portrayed

The Drama class sponsored the annual Costume Day Contest The ten dollar prize was awarded to a can of Raid (Rhonda Busby) and some Bugs (Tina Viero and Janet Morley)

The first day of the last month of autumn was "kicked off" again by sports events. Volleyball and Tennis played Notre Dame, both being easily victorious, Cross Country played Perris on that day also

On the second, Football clashed with Perris on Rim's home turf. Naturally, there was an assembly to root the team on.

"College Night" came on the 7th. It started at 7 p.m. and was geared toward college-bound Juniors and Seniors

RAA (Rims Athletic Association) put on the November dance on the ninth. The proceeds from the dance were to go for sports (girls' equipment.)

Cross Country league finals were on the 10th of November Cross Country defeated Perris and came away with the Sunkist League trophy

On the 14th, ASB held a three period long seminar. Representatives and Alternates were encouraged to attend. The purpose of the seminar was to make Reps and Alternates familiar with parliamentary procedure.

On the same day (in the afternoon), Rims's annual "Battle of the Sexes" was played. The game has traditionally been played by the Varsity Volleyball first and second strings — against a team of laymen Junior and Senior males

The girls' team consisted of Debbie Carter, Mary Franson, Sue Franson, Bridgett Goodwin, Rita lacono and Michelle LaMarr The second stringers were: Lori Dudgeon, Kate Mahoney, Janet Rassmussen, Sue Thompson, and Traci Velarde. The boys'

team consisted of Brent Bon, Jeff Burbach, Keith Ellis, Mark Monninger and Bob Oaks. The girls won the first game 11-9; lost the second 9-11; and came back to clinch the title with a third game win of 13-11

The 17th of November was the beginning of the Band boosters Pizza Sale. During this time, Band members sold pizzas as a fund raiser. The pizzas were assembled by the Band and delivered to the customers (to freeze or eat)

The 20th of November brought the "Queen of the Mountain" basketabali game to Rim, "Cross town rivals," Big Bear battled Rim's team at 7 30

The next day, the Air Explorers showed the years first movie ("The Great Waldo Pepper") and ended their canned food drive for needy families. This was a program designed to give a few families foodstuffs for a happy Thanksgiving

Rim was treated to a "concert" (of sorts) presented by L.A. Turnaround on November 29. This assembly was provided for by ASB and open to all students

The last day of November (and also the final day of fall) featured the Varsity vs. Faculty Basketball game. Naturally, experience won over brains, and Rim's team toppled the Faculty

That night, the seniors sponsored a dance with "Arch Angel" as the band

Snowflakes, skiing, sleigh rides, mittens, blazing fireplaces, hot chocolate, and cold rosy
cheeks, just begin to list the images that come to
mind when one mentions "winter." It's Jack
Frost's season: a season of sparkling wonder
and twinkling excitement

Christmas is the happiest and busiest time of year for millions. It is a joyful holiday celebrated in many different countries, each with it's own

uniqueness

Rim, in itself, is like a small country. Christmas was celebrated throughout the month of December. Good spirits managed to surface, and there was even an occasional smile in the bunch. The somewhat dreaded hustle-bustle was eagerly awaited by all, for this meant we would soon be retiring from school for vacation.

December 1 brought in Christmas tiding as the

Marching Band participated in the first of two Christmas parades. The day at Redlands was completed, and a parade was given in Crestline The following weekend, the Marching Band attended another Christmas parade. This time it was held in Yucaipa. On Saturday, December 16 the Concert Band gave a concert.

On Monday, the 17th, we returned to school and noticed a definite change in the environment. Could it actually be we got new carpeting. and paneling? No, but something was different Why, look! There were pretty Christmas decorations hanging from the ceiling and all through the halls

The next Tuesday, Dec 18, the choral groups performed in the annually held Christmas program. Just another outlet for talent that roams the halls of Rim

MARATHON BASKETBALL — Surely one of the years most exciting events was the basketball marathon. Although not an official school activity, many students, teachers and businesses donated time and money to help the players try to break a world basketball endurance record. The players were: R Hayhurst; P. Sala; J. Burbach; S. Hewey; T. Romero; T. Sandoval; C. Cunliffe; M. Vidano; B. Hoffman; B.

Burr, Referee, S. Madden

Many thanks to the following businesses who donated money: Alpine Jewelers; Arrowhead T V & Appliances; Blue Jay Mall Barbers; Carousel Stationers; Cedar Glen Auto Body; Cheries Fashions; Country Furniture; Fay Boileau's Sportswear; Fidelity Federal; Geniis; Giandomenicos; Goodwins, Lloyds; Lofton Welding; Lords and Ladies; Medical Arts; Nicolas Tompkins and Co.; Rim Lanes; Sew Fun; T.G.&Y., San Bernardino, Victor's Hair Care; Walt's Union Station; Western Auto; Yesterday's; Yvone Interiors

S.I.C. — The School Improvement Council. brought about quite a few visible changes this year at Rim. The Council, which meets biweekly, is responsible for reviewing new pilot courses and implementing them. Some of the target courses this year were: Great Issues, Discussion and Debate, Senior Honor Science, Autobiography, and independent study. The Council also looked at graduation requirements. The suggestions from the various departments were also weighed by the Council Members were: Mr. Lakatos, Mr. Vom Steeg, Mrs. Hardt, Kathleen Trippe, Robert Bock, Mr. Meier, Mr. Gayl, Mr. Matthews, Mr. Lane, Mrs. Swinnerton, Mr. Tipton, Mr. Beresford, Mrs. Cochran, and Mr. Buchanan

EXCHANGE STUDENTS — This year, as with every year, Rim High sponsored quite a few foreign exchange students. Rim has one major exchange program: AFS, but YFU, Rotary, and Scandinavian Exchange all have sent students to Rim. We were fortunate to have three "visitors" during the '79-'80 school year: Barbara Schmidinger (lived with Stehmeiers), from Switzerland; Michele Wilson (lived) with the Showalters), from New Zealand; and, Tammi Sasaki (lived with the Akins), from Japan

Rim also sent students to "far away" places Jeanne Forsythe went to Australia, Soni Morison went to Kenya, Sherree Stehmeler went to Norway, David Callahan went "southern" to Panama. Lisa Andrews went to Australia, and Jeannie Parks went to the Netherlands. In January, Jenny Wardrip returned from South Africa

The ROP program was specialized and oriented towards helping students get jobs. Though the students did not receive wages for their work, they did get a maximum of 30 credits, without a grade depending on their effort and attendance. At the end of each semester, the students received certificates. On the back of their certificate was stated exactly the areas of their field in which they had been trained.

This year's ROP program included 8 different areas of training, teacher aide, retail grocery trades, pre-school aide, fire sci-

ence, nurses aide and orderly, financial operations, sales and merchandising, and police science

The teacher aide program was conducted at different elementary schools throughout the district. The students were trained in areas which would help them decide whether they would be interested in becoming teachers or teachers' aides. The pre-school aides were trained at the nursery school in Rim Forest. They were familiarized

with the job of a pre-school teacher
The retail grocery trades program met at Goodwin's
Market in Crestline. They were trained in all the major
areas of running a market meat packaging, produce
checking, baking, etc

The fire science program met at the Lake Arrowhead Fire Department. This also included three eight-hour shifts on their own time while enrolled in the class

The nurses aide and orderly training was at the Mountains Community Hospital in Lake Arrowhead during first and second periods. Students were involved with real situations as well as simulations while being trained at the hospital.

After school, the financial operations students were trained in banks and savings and loans on the mountain. They worked with tellers and accountants for the most

part. The sales and merchandising students were trained in the afternoons in local businesses in their communities. They learned some of the behind-the-scene jobs associated with running a business

The police science class met three nights a week at the sub-station in Twin Peaks. They were required to wear an ROP uniform and along with their classroom experience, also worked at the rifle range, and had the chance to ride in the cars on field work

The ROP programs were very well planned and are expected to increase in both quantity and quality in the future

The past ten years were a time of triumph and tragedy for our world. All of the events that effected our lives would be too numerous to mention, so we have selected a few of the more prominent events of that period of time known as the "70's."

Let us begin at the beginning. The year, 1970, Vietnam wound down, and people became more concerned with pollution, crime, inflation and unemployment. We experienced the first U.S. Postal strike. The first Strategic Arms Limitations Treaty was discussed between the Soviet Union and the U.S.

In the enertainment field, the Beatles dissolved and "Sesame Street" hit the TV screen. "Tommy" introduced the world to rock-opera. "Hair" became the first hit rock musical, and the country began singing songs like "Aquarius," "Let the Sun-

shine In" and "A Boy Named Sue"

The most noteworthy event of 1970 was at Kent State University. A large number of students demonstrated against President Nixon's announcement to send troops to Cambodia. The National Guard was called in to insure security. The guardsmen

opened fire, killing four students

The Pentagon Papers were published, exposing the United States' involvement in
the Vietnam War. A revolt at Attica State Prison resulted in the deaths of 40 people.

The space program saw an end and a beginning in 1972. Apollo 17, the last of the lunar missions, went to the moon and the Space Shuttle program was approved. Proneer 10 was sent on the longest journey of the space age — to Jupiter

President Nixon went to Communist China in return for the visit, the Chinese gov-

the summer Olympics at Munich was the site of tragedy when Arab guernilas attacked the laraeti teams resulting in the deaths of 9 Israeti team members, 5 Arabs and a West German policeman. These Olympics also brought us Olga Korbut and Mark Spitz

The US began pulling out of the war in Vietman in 1973. Soviet leader Brezhnev came to the US for a summit meeting. The energy crisis entered our consciousness. We watched the leaders of our country on trial for acts that came to be known as watergate; the end result: the resignation of Richard Nixon with Gerald Ford becoming the 38th president.

Housewives boycotted meat prices and Sky Lab was put into space. Minorities were heard. Sloux Indians captured Wounded Knee, S.D., demanding that Congress investigate the government's treatment of the Indians.

We all slowed down to 55 mph in 1974 in order to conserve fuel. However, the Concorde supersonic jet d dn t be ieve in speed limits and f ew from Boston to Paris and back in 6 hours and 18 minutes (a new Transattlantic record)

in space, Jupiter's 13th moon was discovered and Pioneer II sent to earth pictures

of that large planet. Henry Aaron hit his 715th homerun. Muhammad All regained the world heavy weight championship. Women's rights received a boost when the Supreme Court ruled that women must be paid the same as men for the same work. Credit discrimination against women was also banned.

Anyone who says that Americans don't know how to throw a birthday party obviously was not around in 1976, when, decked in red, white and blue, the nation celebrated its 200th birthday

Patricia Hearst was convicted of bank robbery and using a firearm while commit-

ting a felony
The winter Olympics were held at Innsbruck, Austria. The summer games were in

Montreal, Canada

Movie goers saw "One Flew Over the Cuckoo's Nest" and we saw pictures of the Mars surface of via Viking I

In 1977 Gary Gilmore was shot by a firing squad. It was the first execution in the U.S. in over ten years.

President Jimmy Carter answered telephone calls from citizens. The Panama Canal was in the news and created much discussion between the two countries Budget Director, Burt Lance, resigned

Or began to flow through the Trans Alaskan Pipe Line

New York Yankees won over the Los Angeles Dodgers in the World Series and "Rocky" was the movie of the year

1978 was unsettling for the Catholic Church Pope Paul VI died and Pope John Paul I took over However, his reign lasted only 33 days. Karol Woltvia of Poland was elected Pope John Paul II. He was the first non-Italian Pope in 455 years.

In Guyana, 900 members of the People's Temple, under the direction of Rev. Jim Jones committed mass suicide

The world was amazed with the announcement of the first "Test-tube Baby", when Louise Brown was born in Great Britain

This was also the year that hurricanes received both male and female names Iran was the crisis center in 1979. The Shah Pahlavi left Iran and the Ayatoliah Khomeini returned to Iran from exile in France. On Nov. 4th, Iranian students seized the U.S. Embassy in Tehran and were still holding the 50 hostages at the time of this pub-

Three Mile Island nuclear reactor had a break-down in its collant system. Skylab fell to Earth and we waited in gas lines.

John Wayne passed away

And Margaret Thatcher became Great Britain's first woman Prime Minister And finally, the Soviets began to build up troops in Afghanistan which threatened world stability and the 1980 summer Olympics scheduled for Moscow

The 19th proved to be a day of great enjoyment. First, the film "Superman" was shown in the gym and later that same day, the play "Scrooge" was performed. The Drama Club presented "Scrooge" for the student body as a play and to the public as a radio show

The 20th began our Winter vacation. Vacation lasted

from December 20, 1979 to January 13, 1980

January was a busy month for winter sports. Each week

there was some kind of game or match to play

The next event was the dance sponsored by the Freshmen class it had been long awaited as it was scheduled for the week, but weather wasn't permitting and the band was not able to make it up the hill

January passed and February stole upon us quickly February started on a good note as winter sports contin-

ued to make progress

On Thursday, February 7, a Bake Sale was held it was just another event that helped put variety into the regular

school day schedule

Harvey Mudd sponsored the Mudd Ball on Friday the eighth. Active participation was shown on St Valentine's Day, February 14, when the Drama Club sponsored

Famous Couples Day

J V Basketball had a very good season. Captains award winner Brian McClintock scored 19 point in each of the last 2 games and had 21 rebounds in the finale Brian also received the MVP award Dave Benjamin had the high game of the year with 23 points against the Perris Panthers in the second round Other awards received were Most aggressive Player — John Pagel; Co-Best Defensive Players — Frank Gradillas, Kevin Martin, John Pagel Rookie of the Year — John Lubisich, Coaches Award — Brian McClintock; Super Star Awards (for 3 5 GPA avg or better during season) Brian McClintock, Paul Cavanaugh, John Lubisich, Scott Parks, John Pagel, David Chelsea

Varsity Basketball had an extremely improved season with 9 wins and 15 losses. Co-captains Steve Hewey and Jeff Burbach helped lead the team to a very satisfying season. Dave Callahan averaged 19 points per game for the season and 10.7 rebounds. Dave made all league and was co-MVP. Jeff Burbach received an honorable men-

tion in all league team and was co-MVP

to how to act; rainy, sunny, foggy, windy, warm cold, etc . . . which meant that it was extremely difficult to have just a winter wardrobe

This year was entirely unique in another respect. We began a new decade and at the same time we entered a leap year. Leap year has 366 days, or one more than an ordinary year. A leap year occurs in every year which can be divided evenly by four except the years that mark the even hundreds as 1500. The only century years that are leap years are those that can be evenly divided by 400 such as 1600 and 2000. Leap years were added to the calendar to make the calendar year nearly the same as the solar year which is the time required for the sun to pass the livernal equinox twice. The extra day is added to the end of February and occurs as February 29 every 4 years. February 29 makes up for the time lost annually when the approximately 365 and day cycle is computed as 365 days. A mean (average) so ar day (the standard time we use to tell time in our daily lives) is 3 min. 56,5536 seconds of average sidered time (the time the earth takes to rotate once on its axis past an in aquirary line from the earth sidenter to any star. The vernal equinox.) longer than a sidered day. A sidered day equals 23 hours 56 minutes 4,09054 seconds of average solar time.

We inquired how people felt about Leap year day February 29, 1980, and here's what we found: Tom Gascoigne — "It has to be for some good reason that they even made this unusual event, but I'd like to know what's the special reason who decided on it and why For any further comment, I would need to know what the reason is." Randy Fisher — "It's a rotten time to have a birthday on, and it means an extra day of school!" Melisa Bender — "I think it's stupid because it doesn't do anything " Mike Hans — "It's necessary

SPRING '80 MARCH APRIL MAY

The fearless faculty team stomped all over the Varsity Club with the final score being 36-20. Never once gaining the lead, the students still played a very good game and didn't give up their efforts against the teachers until the final bell

# SUMMER'80 JUNE

# SUMMERTIME (1)

#### ANTICIPATING..

From the beginning of their last year at Rim High, Seniors have been anticipating graduation

Many events have preceded this exciting occasion and all of them have been geared toward increasing class spirit and enthusiasm

Senior Breakfast (April 4), Grad Nite (at Disneyland), and Baccalaureate helped to bind the first graduates of the '80's together

But, naturally, the most important day was June 19, 1980, graduation!

As is tradition, seniors wore caps and gowns (dark blue for boys and white for girls)

Prominent members of the community spoke as did Mr. Buchanan (Principal) and Mr. Bernardy Superintendent of Schools). Representing the class of '80 were valedictorians, Jenny Wardrip and Tad Martin, (graduating one and two respectively)

Although a time of sadness for parting paths, life-bound seniors were anticipating the future

GRADUATION

# Bank of America Plaque Winners

From Left, Belinda Lowe, Ren Hayhurst

Jenny Wardrip has attended Rim for the 4 years of her high school — with a year out as an AFS student in South Africa. There she learned Afrikaans, attended school in the same language, and won many school honors though using a foreign tongue. Noted for her artistic ability, Jenny is frequently found sketching, has had her work exhibited in school shows and in the front display cases and is envied for her many talents. An all-around good student who possesses an agile mind, Jenny is a credit to her alma mater.

There is a story of a foolish man who once built his house upon the sand. This worked for a time, but then the rain descended, the floods came, and the winds blew, and burst against that house. The house fell, and its ruin was great.

There was also a wise man who built his house upon the rock. The rain descended and the floods came, and the winds blew, and burst against that house; and yet it did not fall for it had been founded on the solid rock

As the class of '80, the first class of the new decade, we enter a very unstable world, economically, socially, even our sovereignity as a nation may be challenged fruly in each of our lives, storms lie ahead. The need for our lives to be built upon a solid foundation becomes all too clear. So I ask each of you this question; a question of greater importance cannot be found. Upon what foundation are you building your life?

I have built my life upon a solid foundation. It has worked for me. It will work for you. A house or a life without a foundation simply will not stand. The foundation of which I speak is Jesus Christ

Don't just turn the page. Think about it!

Tad Martin

Though the competition was extremely tough for all of the people competing in the annual Bank of America essay and speech contest, four gained top honors in the various contest areas, they are; Bolinda Lowe — 1st place, vocational arts, Tad Martin — 1st place liberal acts, Jenny Wardrip — 1st place fine arts & Ren Hayhurst — 4th place in the area of Math and Science.

Each of the 3 first place participants were awarded a handsom \$500 00 cash prize, with 4th place earning a \$50 00 cash prize. After winning on a local level, the winners will then compete on a state level which will determine the best qualified students in each vocational field. Although competition will prove to be an extremely and difficult field, the students as well as many staff members believe their chances to be very good.

#### RETROSPECTIVE

Where has all the time gone? It seems like only yesterday we were lost and confused freshmen (some of us are still lost and confused) Rim High School has prepared us for our lives ahead. We, as freshmen and sophomores, survived man's greatest test of patience and endurance year-round education. As juniors we took on the task of breaking in a new principal, Tim Buchanan. This we accomplished by making fun of his neck ties that clashed with his shirts and crashing into his Cherokee - by accident, of course. Finally, in our last year at Rim we were struck by near-fatal senioritis. Upon catching this disease you find it impossible to wake up in the morning and you completely forget what class you have the next period. this makes it impossible to attend half your classes. But, seriously, Rim did mean a lot to all of us and we will never forget the time we'Ve spent here. Thanks to the administration, faculty, and, most of all, the students of Rim High

> Chip Eck Senior Class President

Will you remember the things you've done the things you've lost, and the things you've won the way the clouds have come and gone, the way your life has rained and shone the experience you gained, the time you lost, the knowledge was yours at such little cost the hours you spent from day to day, memories, time, . . . are now slipping away will you remember the friends you once knew, or will you forget, . . . as so often we do.

#### **PERSONAL PATRONS**

The Annual Staff again extends its thanks to the businesses of the community, the parents of our students, the members of our staff, and our many friends who love by support Pibroch. With rising costs, we depend on your advertisements and your donations to make this yearbook possible. Each year we are overwhelmed by your whole-hearted support. Our grateful thanks, on behalf of Rim of the World High School, to this community.

Well, the year has finally ended, it was fun, but it went by very quickly. The school spirit was unusually high this year. Remember the outrageous pep assemblies and sporting events?

From the original anticipation of the first week, we watched Rim's school spirit fluctuate, but even at its low it was not outdone by our competitors

## GOD SPEED TO THE CLASS OF '80

For most of you, the next ten years will be the most challenging and exciting years of your life. Years in which a multitude of decisons will be made that will affect your life for eternity.

Three of these decisions will have an enormous impact on your lifestyle . . .

Shall I continue my education?

What shall I do with my life?

Whom shall I marry?

A frivolous or immature answer to any one of these questions, could have a ruinous effect upon the balance of your life while here on planet earth.

Question . . . "What's a fail-safe method for making these decisions?"

Answer . 'Surrender you heart, soul, and body to the Lord Jesus Christ and then rely upon His wisdom Insight, and direction to make you wise in all your decisions."
